

## COVID-19 Vaccine Information Brief

December 7, 2022

### IMPORTANT/NEW COVID-19 Vaccine Information

- Moderna COVID-19 Vaccine Shelf Life Extension

### MODERNA COVID-19 VACCINE EXPIRATION DATE EXTENSION

Expiry dates of the following Moderna products have been extended. Some of these lots are MOD 10 (ages 12+) and some are MOD 5 (ages 6-11). All of these lots are monovalent COVID-19 vaccine for primary use only. Moderna has verified the new expiry dates below and updated the Moderna Vial Expiration Checker: <https://modernacovid19global.com/vial-lookup?#vialLookupTool>

Lot	OLD Expiry (9 months from DOM)	New Expiry (verified)
013B22A	11/22/2022	2/22/2023
052B22A	11/23/2022	2/23/2023
064A22A	11/24/2022	2/24/2023
060B22A	11/26/2022	2/26/2023
061B22A	11/27/2022	2/27/2023
083B22A	11/28/2022	2/28/2023
068A22A	11/28/2022	2/28/2023
063B22A	12/2/2022	3/2/2023
059B22A	12/3/2022	3/3/2023
063B22-2A	12/4/2022	3/4/2023
074B22A	12/11/2022	3/11/2023
071B22A	12/12/2022	3/12/2023
072B22A	12/13/2022	3/13/2023

DOM = Date of Manufacture
